Enclosed is my summer catalog of fine historical Americana at fixed prices. Unlike my usual mail auction format, the items listed are offered at the prices quoted on a first-come, first-served basis. This catalog contains some of the finest material I have had the pleasure to offer, as well as a wide range of items to suit all tastes and pocketbooks. I had planned this sale for May or June, but it kept growing. I'm sure you will agree it was worth the wait.

I take great pride in offering what are generally considered to be the finest quality mail auctions and catalogs in the country. As for quality of illustrations, correctness of descriptions, and reasonable prices, there is seldom need for any apologies on my part. These points, coupled with the overall high quality of the items being offered, induce many first time customers to take part in my sales, even though they may not have done much buying by mail in the past. I pride myself on my reputation for integrity and fair dealings, and for the variety and quality of my inventory. I look forward to including you on my list of satisfied clients.

I would suggest that orders be placed by phone, since this catalog is going out to over 3000 interested buyers. Phone orders may be placed anytime 24 hours a day. If my machine answers, please give your name, telephone number, and the numbers or descriptions of items you wish to purchase. I will return your call and confirm your order as soon as possible.

Unless otherwise described, items are in excellent condition. A few photos look very dark or light — see the descriptions for accurate details. Excellent quality color glossies are available for any item. Please feel free to call for additional information.

Terms are cash or check upon confirmation of order. Budget payments of three monthly installments are allowed — please request this at time of order. Items will be shipped upon receipt of payment, with shipping charges to be quoted when orders are placed.

All items are guaranteed genuine and as described. Any item may be returned for a prompt refund if not as described.

Special note. Another much smaller (75-100 items) fixed price catalog will be issued in about 60 days, and will be sent as a special 'thank you' only to those clients who have placed orders from this catalog or my last two fixed price catalogs (even if your order was not successful). I had intended to issue such a catalog back in March, but my schedule was altered by a lengthy southern trip. I will do it this time, and the target date is the latter half of September.

WANTED TO BUY FOR MY PERSONAL COLLECTION

Historical china with American political, patriotic, military, naval or
antislavery motifs circa 1776-1870. Liverpool, lustreware, Staffordshire,
parian, enamels, Bennington, lithophanes, canary, etc.

Immediate cash always available

Another note. I will be exhibiting at the San Francisco Old West Show, to be held July 25-26 at the brand new Santa Clara Convention Center, 5001 Great America Parkway, Santa Clara, CA. This show was terrific last year, and this year it will be even bigger and better. The facility is one of the finest in the country. If your interests include cowboy, Indian, firearms, saloon, gambling, advertising, gold rush, or similar material, this show should not be missed.
